

Revision date 10-Oct-2024

**SAFETY DATA SHEET** 

This safety data sheet was created pursuant to the requirements of: US OSHA Hazard Communication Standard (29 CFR 1910.1200)

### **Revision Number** 1

| 1. Identification  |  |  |
|--|--|--|
| Product identifier   |  |  |
| Product Name   | Potassium Bicarbonate ACS  |  |
| Other means of identification  |  |  |
| Product Code(s)  | 4151   |  |
| Synonyms   | Potassium hydrogen carbonate.                                      |  |
| Recommended use of the chemical  | and restrictions on use  |  |
| Recommended use  | Industrial use<br>Laboratory use<br>Industrial Manufacturing (all) |  |
| Restrictions on use  | No information available   |  |
| Details of the supplier of the safety  | data sheet   |  |
| Supplier Address<br>Columbus Chemical Industries, Inc.<br>N4335 Temkin Rd.<br>Columbus, WI 53925 USA<br>Phone: (920) 623-2140<br>Fax: (920) 623-2577<br>www.columbuschemical.com |  |  |
| Emergency telephone number   |  |  |
| 24 Hour Emergency Phone Number   | CHEMTREC: 1-800-424-9300 for US / 703-527-3887 outside US          |  |
| Emergency Telephone  | 911  |  |
| 2. Hazard(s) identification  |  |  |
| Classification_  |  |  |
| This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).   |  |  |
| Hazards not otherwise classified (HNOC)<br>Not applicable  |  |  |
| Label elements   |  |  |
| Here and extension to  |  |  |

<u>Hazard statements</u> This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).

The product contains no substances which at their given concentration, are considered to be hazardous to health.

### Other information

No information available.

# 3. Composition/information on ingredients

### Substance

| Chemical name         | CAS No   | Weight-% | Formula | Molecular Weight |
|-----------------------|----------|----------|---------|------------------|
| Potassium bicarbonate | 298-14-6 | >98      | KHCO3   | 100.11 g/mol     |

# 4. First-aid measures

### **Description of first aid measures**

| Inhalation   | Remove to fresh air.  |  |
|--|---|--|
| Eye contact  | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids.<br>Consult a physician. |  |
| Skin contact   | Wash skin with soap and water.  |  |
| Ingestion  | Rinse mouth.  |  |
| Most important symptoms and effects, both acute and delayed                |   |  |
| Symptoms   | No information available.   |  |
| Indication of any immediate medical attention and special treatment needed |   |  |
| Note to physicians   | Treat symptomatically.  |  |

# 5. Fire-fighting measures

| Suitable Extinguishing Media                                   | Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.                            |  |
|--|--|--|
| Large Fire   | CAUTION: Use of water spray when fighting fire may be inefficient.   |  |
| Unsuitable extinguishing media                                 | Do not scatter spilled material with high pressure water streams.  |  |
| Specific hazards arising from the chemical                     | Thermal decomposition can lead to release of irritating gases and vapors. Carbon dioxide (CO2).                                    |  |
| Explosion data<br>Sensitivity to mechanical impact None.       |  |  |
| Sensitivity to static discharge                                | None.  |  |
| Special protective equipment and precautions for fire-fighters | Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear. Use personal protection equipment. |  |

# 6. Accidental release measures

Personal precautions, protective equipment and emergency procedures

| Personal precautions                                 | Ensure adequate ventilation. Avoid generation of dust.   |  |
|--|--|--|
| Methods and material for containment and cleaning up |  |  |
| Methods for containment                              | Prevent further leakage or spillage if safe to do so. Keep out of drains, sewers, ditches and waterways.   |  |
| Methods for cleaning up                              | Carefully shovel or sweep up spilled material and place in suitable container. Avoid generating dust. Pick up and transfer to properly labeled containers. |  |

# 7. Handling and storage

### Precautions for safe handling

| Advice on safe handling                                      | Handle in accordance with good industrial hygiene and safety practice. |  |
|--|--|--|
| Conditions for safe storage, including any incompatibilities |  |  |
| Storage Conditions   | Keep container tightly closed in a dry and well-ventilated place.      |  |

# 8. Exposure controls/personal protection

### Control parameters

Exposure Limits

This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

### Appropriate engineering controls

Engineering controls Showers Eyewash stations Ventilation systems.

Individual protection measures, such as personal protective equipment

| Eye/face protection      | Wear safety glasses with side shields (or goggles).   |
|--------------------------|---|
| Skin and body protection | Wear protective nitrile rubber gloves. Wear impervious protective clothing, including boots, gloves, lab coat, apron or coveralls, as appropriate, to prevent skin contact. |
| Respiratory protection   | No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required.    |

# **General hygiene considerations** Handle in accordance with good industrial hygiene and safety practice.

# 9. Physical and chemical properties

### Information on basic physical and chemical properties

| Physical state | Solid                    |
|----------------|--------------------------|
| Appearance     | Crystalline Powder       |
| Color          | White                    |
| Odor           | Odorless                 |
| Odor threshold | No information available |

| Property                          | Values                   | Remarks • Method |
|-----------------------------------|--------------------------|------------------|
| pH                                | No data available        | None known       |
| pH (as aqueous solution)          | No data available        | None known       |
| Melting point / freezing point    | No data available        | None known       |
| Initial boiling point and boiling | No data available        | None known       |
| range                             |                          |                  |
| Flash point                       | No data available        | None known       |
| Evaporation rate                  | No data available        | None known       |
| Flammability                      | No data available        | None known       |
| Flammability Limit in Air         |                          | None known       |
| Upper flammability or explosive   | No data available        |                  |
| limits                            |                          |                  |
| Lower flammability or explosive   | No data available        |                  |
| limits                            |                          |                  |
| Vapor pressure                    | No data available        | None known       |
| Relative vapor density            | No data available        | None known       |
| Relative density                  | 2.17                     | None known       |
| Water solubility                  | Soluble in water         | None known       |
| Solubility(ies)                   | No data available        | None known       |
| Partition coefficient             | No data available        | None known       |
| Autoignition temperature          | No data available        | None known       |
| Decomposition temperature         |                          | None known       |
| Kinematic viscosity               | No data available        | None known       |
| Dynamic viscosity                 | No data available        | None known       |
|                                   |                          |                  |
| Other information                 |                          |                  |
| Explosive properties              | No information available |                  |
| Oxidizing properties              | No information available |                  |
| Softening point                   | No information available |                  |
| Molecular weight                  | 100.11 g/mol             |                  |
| VOC content                       | No information available |                  |
| Liquid Density                    | No information available |                  |
| Bulk density                      | No information available |                  |

# 10. Stability and reactivity

| Reactivity                         | No information available.  |
|------------------------------------|--|
| Chemical stability                 | Stable under normal conditions.  |
| Possibility of hazardous reactions | Temperatures above 100 $^\circ\text{C}$ / 212 $^\circ\text{F}.$ Avoid contact with lime to prevent formation of corrosive potassium hydroxide. |
| Conditions to avoid                | None known based on information supplied.  |
| Incompatible materials             | Lime. Acids. Prolonged contact with aluminum, brass, bronze, copper, lead, tin, zinc or other alkali sensitive metals or alloys.               |

Hazardous decomposition products Potassium oxides. Carbon oxides. Carbon dioxide (CO2).

# 11. Toxicological information

### Information on likely routes of exposure

| Inhalation  | Specific test data for the substance or mixture is not available. |
|-------------|---|
| Eye contact | Specific test data for the substance or mixture is not available. |

| Skin contact   | May be absorbed through the skin in harmful amounts. Harmful in contact with skin. (based on components). |
|--|---|
| Ingestion  | Specific test data for the substance or mixture is not available.   |
| Symptoms related to the physical, chemical and toxicological characteristics |   |
| Symptoms   | No information available.   |

Acute toxicity

Numerical measures of toxicity

### **Component Information**

| Chemical name         | Oral LD50 | Dermal LD50           | Inhalation LC50        |
|-----------------------|-----------|-----------------------|------------------------|
| Potassium bicarbonate | -         | > 2000 mg/kg (Rabbit) | > 4.88 mg/L (Rat)4.5 h |

### Delayed and immediate effects as well as chronic effects from short and long-term exposure

| Skin corrosion/irritation         | No information available. |  |
|-----------------------------------|---------------------------|--|
| Serious eye damage/eye irritation | No information available. |  |
| Respiratory or skin sensitization | No information available. |  |
| Germ cell mutagenicity            | No information available. |  |
| Carcinogenicity                   | No information available. |  |
| Reproductive toxicity             | No information available. |  |
| STOT - single exposure            | No information available. |  |
| STOT - repeated exposure          | No information available. |  |
| Aspiration hazard                 | No information available. |  |
| Other adverse effects             | No information available. |  |
| Interactive effects               | No information available. |  |

# 12. Ecological information Ecotoxicity The environmental impact of this product has not been fully investigated. Persistence and degradability No information available. Bioaccumulation There is no data for this product. Other adverse effects No information available.

# 13. Disposal considerations

### **Disposal methods**

Waste from residues/unused Dispose of in accordance with local regulations. Dispose of waste in accordance with

# environmental legislation. products

Contaminated packaging

Do not reuse empty containers. Dispose of contents/containers in accordance with local regulations.

### 14. Transport information

| DOT<br>DOT Marine Pollutant | Not regulated<br>No |
|-----------------------------|---------------------|
| <u>TDG</u>                  | Not regulated       |
| ICAO (air)                  | Not regulated       |
| IATA                        | Not regulated       |
| IMDG                        | Not regulated       |

### US Federal Regulations

### **SARA 313**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

### SARA 311/312 Hazard Categories

Should this product meet EPCRA 311/312 Tier reporting criteria at 40 CFR 370, refer to Section 2 of this SDS for appropriate classifications.

### **CWA (Clean Water Act)**

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

### CERCLA

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and

Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

### US State Regulations

### California Proposition 65

This product does not contain any Proposition 65 chemicals.

### U.S. State Right-to-Know Regulations

This product does not contain any substances regulated under applicable state right-to-know regulations

### U.S. EPA Label Information

### EPA Pesticide Registration Number Not applicable
